Re: The Mined Lands Reclamation Act, Bond No. .  
Penal Sum \$ 16225.00

Dear Sirs:

We filed the attached Reclamation Bond on October 20, 1982. Since that time our Company, The Millers Mutual Fire Insurance Co. of Texas, has withdrawn from the State of Utah. This is the only business that we have remaining in your state.

We request that you ask the Principal on the Bond, William L. Wilson & Associates, to furnish you with a replacement bond from an insurance company that is currently licensed in your state.

Sincerely,

Randy J. Barron

THE MINED LANDS RECLAMATION ACT

Bond Number- \_\_\_\_\_

BOND  
\*\*\*\*\*

KNOW ALL MEN BY THESE PRESENCE, that the undersigned \_\_\_\_\_  
The Millers Mutual Fire Insurance  
William L. Wilson & Associates as principal, and Company of Texas  
as surety, are held and firmly bound unto the State of Utah, Division of Oil,  
Gas and Mining, in the penal sum of Sixteen Thousand, Two Hundred Twenty-  
Five and no/100-----dollars  
(\$ 16,225.00 ) for the payment of which sum, will and truly be made, we  
hereby jointly and severally bind ourselves, our heirs, administrators,  
executors, successors and assigns.

THE CONDITION OF THE ABOVE OBLIGATION IS SUCH that whereas the above named  
principal did on the 20th day of October, 1982, file with the Division of  
Oil, Gas and Mining a "Notice of Intention to Commence Mining Operations and  
Mining and Reclamation Plan," to secure authorization to engage in mining  
operations in the State of Utah, under the terms and provisions of the Mined  
Land Reclamation Act; that in said Notice the principal estimated that 10  
acres of land will be affected by mining. Said land is described as follows  
in Exhibit "A" attached hereto.

NOW, if the said principal shall satisfactorily reclaim the above-mentioned  
lands affected by mining by said principal in accordance with the Mining and  
Reclamation Plan and shall faithfully perform all requirements of the Mined  
Land Reclamation Act, and comply with the Rules and Regulations adopted in  
accordance therewith, then this obligation shall be void; otherwise it shall  
remain in full force and effect until the reclamation is completed as outlined  
in the approved Mining and Reclamation Plan.

If the said approved plan provides for reclamation of the land affected on  
a piecemeal or cyclic basis, and said land is reclaimed in accordance with  
such plan, then this bond may be reduced periodically.

In the converse, if the said plan provides for a gradual increase in the  
area of the land affected or increased reclamation work, then this bond may  
accordingly be increased with the written approval of the surety company.

NOTE: Where one signs by virtue of Power of Attorney for a surety  
company, such Power of Attorney must be filed with this bond. If the  
principal is a corporation, the bond shall be executed by its duly authorized  
officers with the seal of the corporation affixed.
